Last Saturday evening an informal reception was held at the home of Mr. and Mrs. D. W. Donaldson on Park Street, when about 30 gathered there in honor of Mr. and Mrs. Dana M. Duran of Worcester, Mass. The guests included Morrisville people who were students or associated with the work of the school during the time that Mr. Duran was principal of P. A., 1880-1882, also a few who are connected with the school at the present time. The evening was an especially pleasant one. Refreshments of ice cream and assorted cake were served.

Tinker—Mercia

Cards are out announcing the marriage of Miss Clara Eva, daughter of Mr. and Mrs. Andrew Mercia and Charles Waters Tinker, son of Mr. and Mrs. L. W. Tinker. The ceremony took place early Tuesday morning at the home of Mr. and Mrs. Charles W. McFarland on Park street, Rev. W. E. Baker of the Congregational church officiating. Mr. and Mrs. Tinker left immediately following the ceremony by automobile for Lake Elmore, where they will spend a few weeks in camp at the P. C. Jones cottage. By getting an unusually early start the couple succeeded in eluding several friends, who were keeping a close watch Tuesday morning and were nicely domiciled in camp before the early watchers learned the full particulars.

Mr. and Mrs. Tinker, who are among Morrisville's, well-known and popular young people, are both graduates of Peoples Academy, the groom in the class of 1904 and the bride in the class of 1908. The bride is an active member of the Unity class of the Cong'l church and Lamoille Lodge N. E. O. P. The groom is also a member of the latter organization and has been for some time prominent in musical circles.

The couple were the recipients of many nice presents, including cut glass, linen and a purse of money.

Mr. and Mrs. Tinker will reside in the Mrs. Mary Thomas residence on Park Street, where they have apartments already for occupancy. Mr. Tinker will continue in the employ of the McFarland Hardware Company, where he has held a responsible position for several years. This paper joins the large number of friends in extending best wishes and congratulations.

There was an unusually large attendance at the Congregational church last Sunday morning, when Rev. W. E. Baker delivered a strong sermon to the members of the James M. Warner Post. There was special music by the quartet choir.

Mrs. John Miller of Thetford is a guest of her son Sheldon Miller of the P. A. faculty, at the home of J. R. Parker, during commencement.

Miss Martha Parker, of Wolcott, P. A. '14 attended the banquet last evening.

The fellow who loves life and mankind will laugh once in a while.

FORTY-FIFTH GRADUATION

Commencement Week at Peoples Academy Filled With Events of Interest, Graduating Exercises Tonight.

The past week has been a busy one in Morrisville and many old friends of Peoples Academy have returned to take part in the events of another Commencement week. The class of 1915, numbering seventeen, is about the average size, although not so large as last year's class which numbered 27, being the largest in the history of the school, with the exception of the class of 1902, which graduated under Prin. W. A. Beebe, with a membership of 28.

ALUMNI BUSINESS MEETING

Following the class day program the annual Alumni Association was held at the Academy yesterday afternoon. The vice president, Mrs. T. J. Stewart, presided, in the absence of the president, Geo. M. Powers, and gave greeting to the class of 1915. The following officers were elected for the year:—

Pres., T. J. Stewart; Vice Pres., Mrs. T. J. Stewart; Sec., Miss Mabel L. Durkee; Executive Committee, Herbert Terrell, Mrs. A. W. Waite, Mrs. J. F. Jackson; Trustee of Alumni Fund, H. A. Slayton; Chairman of Alumni Fund Committee, W. M. Sargent. A committee made up of Mrs. D. W. Donaldson, Mrs. F. L. George and Mrs. H. A. Smalley were elected for the purpose of securing as many members as possible from the list of those eligible to become members of the Association, as this will be a great help in raising the Alumni Fund.

ALUMNI BANQUET

The twenty-third annual alumni banquet was served last evening at the Congregational church parlors, under the auspices of the ladies of the church. Preceding the banquet, a reception was held at town hall, about 100 being present.

The post-prandial exercises were in the able hands of Prin. Rollo G. Reynolds and the speakers taking their cue from the toastmaster, all spoke in a happy optimistic vein. Dana Marsh Duran, of Worcester, Mass., who closed the speaking was especially interesting, both in referring to the days when he was the third principal of P. A., and in his reference to educational work in other fields. Following is the program as carried out.

P. A. and After Life, Clement F. Smith
From P. A. to the Rural Community, Herbert L. Delano

At the banquet last night about \$100 was raised for the permanent fund to take the place of the Harlan P. French prize.

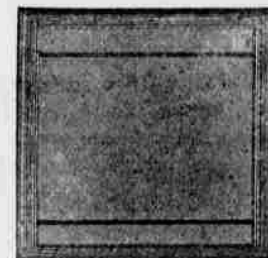

JUNIOR RECEPTION

Last Friday evening the customary Junior reception was tendered the Senior class and faculty at Academy hall. The receiving line was made up of Prin. and Mrs. R. G. Reynolds, Miss Simpson, Mrs. Ide and the president and vice president of the Senior class, William M. Meacham and Harrie E. Wilson. The programs were dainty handpainted folders in the shape of a maple leaf and the numbers consisted of a concert by the P. A. orchestra, singing by the Girls' Glee Club, marching and dancing. Following the program a three course dinner was served. Interesting remarks were made by W. M. Meacham in behalf of the class of '15 and the remainder of the evening was devoted to dancing and the "Farewell to 1915" march.

Will Oil Streets

At the special village meeting last Friday night about 100 voters were in attendance, which is an unusually large number for an occasion of this kind and showed that the question of oiling the streets of Morrisville is a matter that interests the voters. Geo. A. Morse a member of the Board of Trustees, spoke briefly, stating frankly his position as opposed to oiling. He then gave some figures obtained from Mr. Calderwood of St. Johnsbury, a representative of the Standard Oil Company, regarding the cost of oiling. According to the figures it will cost \$402.50 to oil 25,050 square yards, of which amount the State will pay \$150.

Using these figures, J. M. Kelley introduced a resolution, directing the Trustees to oil the streets named, being as follows:—From the Fisk hill to Maple street, from the Smalley stables on Brooklyn street to Bridge, from Bowen's store to Portland and from Portland to Main street. The resolution carried by a vote of 72 to 28. The article to see if the village would vote a special tax to pay for oiling, was passed over by a close vote, on the motion of C. H. A. Stafford. This means that the amount will be taken from the general fund. It is expected that Mr. Calderwood will be in town tonight and that the work will be done at once by the Standard Oil people.

Automobile Bus Service

The Lamoille Motor Company of Morrisville began today an automobile service to be operated between Hardwick, Wolcott, Morrisville, Hyde Park and Johnson, leaving the principal hotels in each town, according to a schedule given elsewhere in this issue.

This is a service that will be appreciated by many. It will be given a thorough try-out by the management and if it is found that there is enough demand for the service to warrant an enlargement, it will be made.

Mr. and Mrs. B. E. Eaton and daughter, Elizabeth, have been spending several days in Stowe at the home of Mr. and Mrs. Ed Gale, where Mr. Eaton has been installing some plumbing.

Memorial Day Observances

The Memorial Day Observances drew the usual crowd to Morrisville Monday, the weather conditions being favorable for an impressive observation. The various events of the day were carried out according to program previously printed and the Commander and members of James M. Warner Post are thankful to all who assisted in making the day a success.

In the forenoon the exercises at the monument in Academy Park included the ritual service, prayer by the Chaplain and address by Commander Wilkins to the S. of V. and reply by Commander Sulham of the latter organization, the firing of a salute by the S. of V., an interesting address by Prof. Reynolds, and the singing of "America" by the school.

The line of March in the afternoon was from the G. A. R. hall to Portland street, thence to Main and the town hall. The line was headed by the Morrisville Band, led by D. A. Sanders; Knights Templars, Woodmen, Grand Army and kindred societies. There were 21 veterans in line. The address by Dr. George L. Bates at the town hall was one of the best Memorial Day addresses given in Morrisville in a long time and was heard by a large audience. The other numbers on the program included music by the band; Prayer, Rev. W. T. Best; Duet, Mrs. Ha Jackson Niles and Mrs. Alton Lawson; Lincoln's Gettysburg Address, Miss Florence Chaffee; Exercises by the Grammar School Girls; Benediction, by Rev. R. D. Cranmer.

The National flags were displayed on many business places and residences, and business was suspended during the afternoon.

Mr. and Mrs. George W. Drown of Summer street received a telegram Sunday from the war office in Ottawa, stating that their son, George W. Drown, who is serving in the English army in France, was in a hospital, suffering from a shock. More particulars are hourly expected. A letter received yesterday from the young man, stated that he recently took part in the battle at Ypres and it is thought that the shock may be caused from the effects of the battle.
